

Reeds Alginate Peel Off Soft Mask

海藻软膜

What is Alginate

Reeds Alginate Peel Off Soft Mask uses Alginate powder as base, it is natural as is free of artificial coloring. Alginates are refined from seaweeds and are both safe as food and for the skin. A selected active ingredient is added into the soft mask to target for different skin problems. 海藻软膜-添加更多有益的活性成分，解决肌肤的各种问题，且完全不含人工色素。

Directions of Use

Gradually add water to the mask powder and mix to form a good paste. Apply the mask following to your facial contour and wait 20 minutes before peeling it off.

REVIVAL SOFT MASK (VITAMIN C) 维生素 C 软膜 - Formulated with Vitamin C. Vitamin C or ascorbic acid is an oxidation-reduction catalyst found in both animals and plants. It energizes the skin; stimulate new collagen and elastin productions and cell regeneration, giving your skin an instant glow.

Benefits
